Field Trip Sack Lunch Order Form

Completed order forms must be submitted to the kitchen manager at your student's school no later than the TUESDAY of the WEEK PRIOR to the field trip to ensure availability

.....

Dear Parent or Guardian:

Tahoma Nutrition Services will provide sack lunches for students participating in field trips.

- Your child's cafeteria account will be charged for one sack lunch. Please do not send money with this form.
- The lunch will consist of a sandwich, fruit or fruit juice, carrotenees and celery sticks, milk and graham crackers. The sandwiches are commercially prepared in a peanut free and tree nut free facility. Ingredients include toasted soy butter, grape jelly and 51% whole grain bread. The sandwich contains food allergens: Wheat, Soy and Milk.
- Due to supply chain disruptions, we may not receive the volume of food that we order. This is why we may have to substitute some items with food that our distributors have in stock at the time.
- Student prices: \$4.75 regular. Sack lunches are available at no charge for students that are eligible for reduced-price or free meals.
- Adult prices: \$6.00 for chaperones and teachers. Chaperones: You may order one additional sack lunch for yourself. Your student's cafeteria account will be charged \$6.00 for your lunch.
